The Rotary Club of Albuquerque

The Rotary Club of Albuquerque
is turning 100 years old in 2016, and they are
co-hosting this event to support their
Centennial Signature Project—

Working Together to Build a Village

which will be developed on an existing rooftop
deck at Explora. The project will provide a cover
for year-round enjoyment, during which a design-
build process will lead students of all ages to learn
about science, engineering, construction
architecture— well beyond what could be
accomplished in a classroom, book, or lecture thus
supporting Albuquerque's important efforts to
improve workforce development in these fields.
Help Rotary Club of Albuquerque continue their
long history of service, and celebrate
